

A few highlights from last session's programme

Note: Additional photographs can be found on Rob Phillips Facebook page

Chris Medley gave an interesting presentation on St. Cybi's Church

Fiona Parry & Helen Roberts updated us on Morlais and the solar tracking of seabirds

Our own John Davies gave a very interesting talk on 'Let There be Light' – charting a course from the beginning of the universe to present day

Elaine Green – Took us on a journey: In the Steps of Shackleton

Jules Cooper, Spirit of the Hedgerider, enthralled us with wild plant foraging.

Shan Robinson told us about Mary Dilys Glynne Mountaineer & Plant Pathologist

Our Own Gill Winter told us about The Landmark Trust and shared her personal memories.
