

Shaun Higgins, Playwright, delivered an amazing one-man performance bringing to life The History of Wilfred Owen. You could have heard a pin drop; it was better than going to the theatre.

Our own Alan Boutall gave an excellent talk on Pre History to the Dawn of Civilisation (Part 1). We eagerly await Part 2.

St Cybi's Church Visit

Following Chris Medley's presentation on the modernisation of the Grade 1 Listed (1968) St Cybi's Church we enjoyed an excellent informative talk and tour at the church. Chris talked us through the history of the medieval church founded on the site of a 6th Century monastery by St Cybi and built within the walls of a ruined Roman Fort. This latest refurbishment has been part funded by the UK Government Levelling Up Fund and has ensured the preservation of this historic church as an important centre for use by the local community.

The Victorian Pews have been removed and replaced with chairs. The organ has been taken out revealing a stained-glass window. Both these important innovations have resulted in a very open, light space. A heat pump provides under floor heating.

With thanks to Chris for his invitation to visit the church and I am sure that we would find yet another visit very interesting and informative.
